## Good Shepherd Medical Center - Linden Announces New Executive Leadership

LONGVIEW (2009) - Good Shepherd welcomes Carla Roadcap, MSN, RN as the new Chief Executive Officer and John Crane, RN as the new Chief Nursing Officer at Good Shepherd Medical Center - Linden.

Most recently, Roadcap served as a clinical instructor at Good Shepherd Medical Center in Longview and was responsible for coordinating clinical affiliations with thousands of students in various medical career fields nationwide. Her position served as a key component in building bridges to our future nurses. Her role also included serving as adjunct clinical faculty at the University of Texas at Tyler and Kilgore College in Kilgore and coordinating high school career program clinicals. Roadcap was instrumental in the City of Longview Blue Ribbon Task Force and has served on numerous local education advisory boards.

Roadcap received a bachelor of science and a master of science in nursing from the University of Texas in Tyler. Not only is she a member of the Texas Nurses' Association but she was appointed to serve on the Continuing Nursing Education Committee. She is also a member of the American Nurses' Association, Sigma Theta Tau National Nursing Honor Society, National Nursing Staff Development Organization and is a Gregg County Disaster Preparedness Volunteer.

Prior to joining Good Shepherd Medical Center – Linden, Crane served in the position of Divisional Director of Cardiovascular, Pulmonary and Sleep Services for Good Shepherd Medical Center in Longview. As Divisional Director, Crane was responsible for the operation of the Cardiac Catheterization Lab, Pulmonary Services and the Center for Sleep Disorders. He also oversaw several inpatient areas including Same Day Surgery, Intermediate Care Telemetry, Cardiac Intermediate Care, and Surgical Intensive Care Unit.

Crane received his bachelor of science in nursing from Louisiana College, as well as a bachelor of arts in interdisciplinary natural sciences with a biology concentration from the University of South Florida. He also attended the Marion Military Institute. Crane is a member of the American Association of Cardiovascular and Pulmonary Rehabilitation, the American College of Cardiology, Sigma Theta Tau and the American Organization of Nurse Executives.
