## Shepherd Suite

As part of our dedication to your convenience and comfort, Good Shepherd Medical Center offers choices in patient room accommodations. While most insurance policies cover the cost of the standard patient room, we also provide two additional room options. You can choose either the Shepherd Suite or a Deluxe Room at an additional per day cost. If you are interested in upgrading your patient room, please make your request known at the time of registration or to your nurse.

Shepherd Suites and Deluxe Rooms are available based on your health care needs, the approval of your physician and availability of the rooms.
